

# VIRTUAL INTERVIEW WORKSHOP

**Wednesday, July 22 @ 5 pm on ZOOM**

As many health professional programs are moving to virtual interviews for this application cycle, PreProfessional Advising and Career & Professional Development Center will offer tips on how to successfully navigate virtual interviews. Learn how to be a successful applicant in a virtual setting, whether you're preparing for a recorded or live video interview!

**Please Note:** This workshop is open to students who are currently applying for University of Utah health professional programs.
