Please score in terms of the student’s development as a researcher.
The poster presentation indicates that the student...

| Identify and utilize relevant previous work that supports the research          | • Clearly situates current work in an appropriate scholarly context  
• Acknowledges the conceptual and methodological foundation provided by previous work  
• Identifies the novel contribution of the present work to the field/society | (0-25 pts) |          |
| Articulate a timely and important research question or creative objective       | • Explicitly states the research question or creative objective  
• Explains why the research question is important and timely  
• The research question or creative objective follows logically from the previous work cited | (0-25 pts) |          |
| Identify and utilize appropriate methodologies to address the research question or creative objective | • Clearly explains methods; explicitly links methods to the research question or creative objective  
• Acknowledges limitations of the methods used  
• Clearly presents results; explicitly interprets results with respect to the research question or creative objective | (0-25 pts) |          |
| Present the research effectively in a conference setting                         | • Poster display is well-organized and professional; tables and figures present content effectively  
• Presents the work concisely and precisely; presentation is well-practiced  
• Responds to questions thoroughly and thoughtfully. **Please ask questions!** | (0-25 pts) |          |

If observed, please describe evidence of the student’s achievement of the following learning objectives:

- Meet the relevant field’s standards for the responsible conduct of research, and effectively navigate challenges that arise in the research process
- Work collaboratively with other researchers, demonstrating effective communication and problem-solving skills
- Reflect constructively on the research experience, identifying what was learned, personal strengths and opportunities for growth, and how the experience informs their future educational and career goals
