

As a UROP participant, you are required to devise a schedule with your UROP Mentor to ensure you contribute 120 hours of research or creative work to your UROP Project. This schedule must be in writing and signed by both you and your UROP Mentor. Your UROP Mentor (or designee), who serves as your direct supervisor, will receive a bi-monthly email from the OUR to confirm that you are progressing on your UROP project as outlined in this schedule. You may be asked to produce this schedule as documentation if there is question about your progress. If you do not document this schedule or fail to meet this schedule, you may be dismissed from the program and forfeit the remainder of the UROP stipend. We hope you find this worksheet helpful as you complete your UROP Project!
